Here is a view of the beautiful home at Greenwood Farm South Solon, Ohio, owned by David S. Graham, where Shorthorn cattle have been an important part of the program of successful farming for many years

THE PICTURES displayed in this catalog provide a hint of the superior individuality of this sale offering and those who study the catalog will be aware that this is one of the most beautifully bred collections to be offered this year. For many years the **Greenwood Herd**, owned by David S. Graham, South Solon, Ohio and the **Brookside Herd**, owned by Earl E. Evans & Son, Woodstock, Ohio have enjoyed the patronage of the most discriminating buyers . . . those who know and appreciate Shorthorns that are backed by the richest Scotch pedigrees. Those who have bought seed stock from these two widely known herds are quick to admit that these cattle have been improvers because such individuality and such bloodlines leave little to chance. It is fortunate that these two herds are again joining in an auction sale because buyers will have an opportunity to make selections from 42 lots that cannot fail to work improvement wherever they go.

From **David S. Graham's** herd will come six bulls and 19 females. These 25 royally bred animals were all produced at Greenwood Farms and all are the get of the famous sires that have been used in this herd. Four bulls and eleven females are sired by Dreadnaught Bounty by **Goldspur's Baronet**; two bulls and three heifers are by **Allendale Fusilier** by Imp. Cluny Brigadier Command and five older females are daughters or granddaughters of **Divide Eclipse** by Browndale Archer.

Due to the ill health of the senior partner, the **Earl E. Evans & Son** consignment will constitute a partial dispersion of this herd and many females are listed that would not be available under other circumstances. Those who are familiar with this select herd are aware that every animal represents the ideal combination of good type and rich breeding. Featured will be the service of **Scotsdale Liberator** and **Browndale Masterstroke**, the two present herd bulls, and a study of their pictures elsewhere in this catalog will convince anyone that they are two of the best young herd bulls of the day. Seven grand females are in calf to Brookside Masterstroke and three to Scotsdale Liberator. A wonderful group of Canadian cows, sired such noted bulls as Imp. Brawith Boy, Lavender Ransom, Green Grove Ransom, Imp. Larbert Templar, Blythwood Commander-in-Chief and others, are to be sold.

No matter where you live or how much expense is involved in the trip, this is a sale you should attend. Write for the catalog today. It deserves careful study.—Hal Longley of The Shorthorn World.

## Just a Word about Transportation . . .

We have selected London, Ohio, as the location for this sale because of its convenience to all prospective buyers. Those who wish to attend this sale need not feel that they are dependent on the use of their own cars for transportation. London, Ohio is located on the main line of the Pennsylvania Railroad from Cincinnati to Columbus and from Indianapolis to Columbus.

Also, bus lines run hourly in every direction through London. Consult your local bus agent and he will arrange a convenient round trip for you.

Equally convenient will be the matter of transporting cattle purchased in this sale. We will be glad to arrange shipping for you either by truck or rail. Your trip to this sale can be both pleasant and profitable.

Here is a snapshot of David S. Graham, owner of Greenwood Farms, with his successful herd bull Dreadnaught Bounty by Goldspur's Baronet 2d

## The Greenwood Consignment

The six bulls and nineteen females in this attractive draft of Shorthorns from the excellent herd at Greenwood Farms, the property of David S. Graham, represent improvement that is manifest in this herd. Always David Graham has been particular about his pedigrees. By careful study of the results of his matings year after year, the right bulls for the right females have been selected with the result that Shorthorn better than ever before are produced in this herd.

There is no flaw to be found in any pedigree in this catalog. Individually the cattle show the result of good breeding by their type, symmetry, good character and rich quality. This herd, indeed, is one from which profitable, breed improving Shorthorns can be purchased and that is the kind that will be found in this sale.

**Greenwood Rosewood 20th**—We cannot offer you anything better either in individuality or pedigree. Here is a solid red daughter of Dreadnaught Bounty out of a daughter of Divide Eclipse and her granddam was bred at Edellyn Farms. The third dam in the pedigree is the imported cow. She is a very choice heifer. Unfortunately she was bred at too young an age but she will be a great buy nevertheless. She is in calf to Greenwood Ranger, one of the bulls in this sale.

**Greenwood Dorothy 6th**—Again we remind you that this Dorothy family has made money for us and will do the same for you. Here is an attractive roan daughter of Allendale Fusilier, out of a Dorothy dam by Dreadnaught Bounty.

CECELIA'S MAID 2d, shown above, is typical of the productions of the Brookside herd. She was the junior and reserve grand champion at the 1941 Michigan State Fair. She sold in our last sale and is now in the strong Alllison Acres Herd. A half-sister, equally as good, will sell in this sale.

---

## The Brookside Consignment

---

The Brookside draft for this annual sale, as usual, is made up of Shorthorns of the most approved bloodlines, ideal type and breed character of the most impressive order. This year, Earl E. Evans & Son, owners, determined to demonstrate the fact that their herd improves constantly by sharing with the public their best products.

The pedigrees of these choice Shorthorns make attractive reading for students of the breed. The cattle themselves show the result of the use of the best of bloodlines. Livestock breeding cannot be static. Either one improves his cattle or they retrograde. To be sure that your herd will be better in the future than it is at present, buy these well bred, typy, low set, good headed cattle, remembering that profit comes to the improvers.

Cecelia's Maid 3d—A show heifer of outstanding type and quality, dark roan in color. Those who attended our last sale will remember that her dam produced a bull that sold at \$280 to F. W. Harding and a heifer that sold to Kahnyon Creek Farm for \$490. The dam of this heifer is now in the Irvine Hill Farm herd. She is a granddaughter of Browndale Pilot and we cannot recommend her too highly.
